

Five Things Your Pastor Wants You to Know in January 2018

A Note from the desk of Fr. Brannen:

1. A special welcome to Leslie Harris, our new Director of Development at Blessed Sacrament! Leslie has hit the ground running and her expertise and experience have already done great things for the effectiveness of our Capital Campaign moving forward. Please stop by to welcome Leslie to Blessed Sacrament Church and School.
2. A special welcome to Rachel Brungardt, our new Music Director at Blessed Sacrament! Rachel comes to us from Wichita, Kansas where she worked, cantered and led music at Blessed Sacrament Church in that city. Please consider singing in our adult or youth choir as Rachel begins her rehearsals. (Rachel will also be working mornings at the office front desk, another area in which she has much experience). Please stop by and welcome Rachel to Blessed Sacrament!
3. The Adoration Chapel construction is progressing, albeit more slowly than anticipated. The chapel will be blessed and dedicated soon and orientation sessions will be offered for all who have signed up to pray or who are considering it. Thank you for being willing to sign up for a weekly hour of prayer with Jesus, and thank you for your patience! It is coming soon.
4. The Blessed Sacrament Capital Campaign received more than \$100,000 in new gifts and pledges in December 2017, bringing our total raised to nearly \$5.3 million! Thank you so much to all who have contributed. As we prepare for Phase II, please consider making a pledge or gift to our Campaign. Around \$4 million dollars will be needed to complete this entire project.
5. Phase I of our Physical Plant construction and renovation will be completed soon, and Bp. Gregory John Hartmayer will be coming for the formal blessing and dedication on the morning of Friday, April 27th. Please save that date so that you can be present for this important event.
