

Blessed Sacrament Funeral Hymn/Song List

Music is integral to the Funeral rites. It allows the community to express convictions and feelings that word alone may fail to convey. It has the power to console and uplift the mourners and to strengthen the unity of the assembly in faith and love, as well as create in them a spirit of hope in Christ's victory over death and in the Christian's share in that victory. The texts of the songs chosen for this rite should express the paschal mystery of the Lord's suffering, death, and triumph over death and should be related to the readings from Scripture. Thus while Funeral music may express "convictions and feelings," its subject must always be the paschal mystery and it must be related to the readings from Scripture. (Order of Christian Funerals)
